

4 STEPS

TO BEGIN YOUR COSMETOLOGY EDUCATION

4 TOUR THE SCHOOL VIRTUALLY OR IN PERSON!

One of the most important steps in your research is your campus visit. This will allow you to learn more about our culture and curriculum. You will also get to meet your future Learning Leaders and current Future Professionals. No time to visit in person? Then request a Virtual Tour Experience with us. Our enrollment team will be happy to send a Virtual Tour Link and spend time with you answering all questions just as if you were on campus.

3 CHOOSE YOUR START DATE

Excited about starting your education with us? Carefully consider what start date is right for you and your situation. Planning a vacation? Best to start after you return. Need to work during the day? Night school classes are the perfect solution! We also offer a 3-Day option. Being on time and maintaining our required 90% attendance is vital to your success and education.

2 FIGURE OUT THE FINANCIALS & SCHEDULE YOUR SIGNING

Thinking about financing your education? There are a number of different types of financial assistance you can use here at The Temple. They include (but are not limited to): Pell Grants, Stafford Loans, VA benefits and scholarships. During your tour we will review all of the financing options with you.

1 PREPARE FOR A FABULOUS FIRST DAY

Your first day of school as a Future Professional at The Temple: A Paul Mitchell Partner School will be an exciting one! Be sure to arrive on time, in dress code, and ready to begin your journey.
